This holiday season, Oprah Winfrey's annual favorites list includes the organic and botanically infused spirits of boutique American spirits maker, Square One Organic Spirits, in her holiday gift-giving recommendations. The Oprah Magazine will feature the entire Square One Organic Spirits collection in Oprah's Favorite Things 2015.

Square One, a female-owned pioneer in certified organic spirits and known for its sophisticated, multi-botanical approach to vodka-based spirits, is the exclusive spirit brand on this year's list.

'As a small company, it was very exciting to get that call that we were on the Oprah's Favorite Things list and to hear that Oprah was already a fan,' said Allison Evanow, Founder and CEO of Square One Organic Spirits.

Square One Organic Spirits is a female-owned boutique spirits company founded with the sole mission of creating innovative organic spirits with an eco-conscious mindset (made with 100% organic American-grown rye and pristine water originating in the Teton Mountains).
